Our Latest Introductions

For your Home & Garden

PROUDLY 100% EMPLOYEE OWNED

We're in the business of gardening because it nourishes the body, elevates the spirit, builds community, and makes the world a better place.

For 40 years, our design & development team has been listening to our customers and solving gardening problems in creative ways. Thanks to them, many of our products can't be found anywhere else!

We donate 8% of our company profits to programs and organizations that are using gardening to improve the world.

NATURAL RUBBER SEED STARTING TRAYS

30 CELL, 20 CELL & 6 CELL XL

Made from 100% sustainably-harvested, FSC-certified natural rubber, these super-durable seed starting trays have the flexibility to easily pop out your seedlings, but will last a lifetime without getting brittle with age. Available in 3 sizes for growing any kind of seedlings!

WOOD STAND FOR CORTEN STEEL MODULAR RAISED BED

Take no-bend gardening to new heights of fashion and function, combining the uniquely rustic look of Corten steel with a brawny and beautiful cedar stand. Also available for purchase on its own, our cedar stand elevates existing Modular Corten Steel Raised Beds into standing gardens.

COPPER CAP FOR CEDAR OBELISK

A perfect topper for our towering Cedar Obelisk, this pure-copper cap adds a touch of class that will grow more distinguished over the years, as it develops a distinctive blue-green patina. A hole in the middle lets in light and air to encourage your vining plants upward.

ORCHARD RACK, 9 DRAWER & 6 DRAWER

Store “keeper” crops like apples, squash, onions, and potatoes on these generously-sized racks. Whether tucked away in the cellar or pantry, or on display in the kitchen or entryway, they’re real keepers!

FOLK ART TRELLIS

FOLK ART FENCE PANELS, SET OF 2

Add rustic charm and distinctive character to your garden with these folk art-inspired structures. Designed to look aged and hand-forged, you can be sure the sturdy powder-coated steel construction will last for years.

ARIANA ARCH

Inspired by Middle Eastern architecture, this elegant and exotic arch creates a unique entryway that feels classic and modern all at once, adding an inviting and delighting element to welcome guests into your garden.

ARIANA ARCH PLANTERS WITH COIR LINERS, SET OF 2

Combined with the architectural silhouette of your Ariana Arch, these coordinating planters up the “wow factor,” providing a no-dig way to line your unique entrance with colorful, fragrant flowering vines.

EXETER GAZEBO

One of our largest structures ever, this beautiful, airy gazebo lets you grow a vine-filled centerpiece or seating area. Surround yourself with verdant beauty and more — plant jasmine or honeysuckle for stunning smells, clematis for dramatic color, or grape vines for sweet summer snacks!

SELF-WATERING ECO-STAINED ELEVATED CEDAR PLANTER BOX

We enhanced the classic good looks and durability of our Elevated Cedar Planter Boxes with the convenience of our self-watering inserts, and increased protection from eco-friendly color staining. Available in three sizes: 2' x 2', 2' x 4', and 2' x 8' (shown).

PLANT SUPPORT WALL STORAGE

Sturdy galvanized steel storage container mounts to the wall to hold and organize stakes, trellises, and plant supports between growing seasons.

POP-UP BIRD NETTING, LARGE

Aptly named, this accordion-fold tent pops open right out of the box, instantly ready to secure seedlings and protect plants, to keep marauding birds from turning your berry bushes and tender greens into a garden buffet.

HALF SIZE HOT FROG ROLLING COMPOSTER

Super compact and durable composter transforms up to 19 gallons of kitchen scraps and yard waste into garden-boosting compost. Made from UV-resistant and BPA-free recycled plastic.

CEDAR THREE BIN COMPOSTER

Made from the same rot-resistant cedar and industrial-strength Lifetime aluminum corners as our raised beds, we designed this good-looking and long-lasting premium three-bin composter to take center stage. Each bin holds a bountiful 110 gallons of material.

SUSTAINABLE ROLLING PATIO GARDEN

A compact and mobile planter perfect for your patio, these elevated beds are made from an eco-friendly and super-durable composite of recycled plastic and reclaimed sawdust, and bolstered by our industrial-strength Lifetime aluminum corners.

LED SUNLITE® 3-TIER GARDEN & HIGH INTENSITY 3-TIER GARDEN

Grow like the pros, with our industry-leading grow light gardens. Featuring energy-efficient, full-spectrum LEDs, our top-of-the-line SunLite® collection helps you grow healthier, more vigorous seedlings and happier, more vibrant houseplants.

BAMBOO LED GROW LIGHT GARDEN

The energy-efficient, full-spectrum LED light your plants crave, in a stylish and sustainable bamboo framing that fits perfectly with nearly any aesthetic, our Bamboo Grow Light Gardens are designed to integrate growing into your indoor spaces.

BAMBOO MINI LED GROW LIGHT GARDEN

Part of our popular Bamboo LED Grow Light family, this stylish and compact set-up keeps you growing when space is at a premium. Fits snugly on countertops, work desks, or even hung on a wall.

OVAL BASKET BULB GARDEN

Pre-planted with 32 bulbs, this generously-sized basket bursts forth with dozens of blooms, filling your home with vibrant blue hyacinths and snowy-white squill.

EASY CARE WAXED AMARYLLIS WITH ROSE PETALS

Lively ivory colored blooms emerge from a rose-petal covered waxed bulb, containing everything your amaryllis needs to grow. This is the easiest flower you'll ever grow — no watering or planting needed!

BAMBOO SEED SAVER KIT

A safe and stylish way to keep seeds organized and dry, this kit includes a handsome box made from sustainable bamboo, as well as glass seed storage vials in large and small sizes (3 of each). The box features 5 compartments perfectly sized to store seed envelopes, seed storage vials, gloves, and small seed-starting tools.

BAMBOO SEED SAVER LARGE GLASS VIALS, SET OF 12

Tough borosilicate glass vials with cork tops keep your seeds dry and organized. Large size is perfect for larger seeds, like beans, peas, nasturtium, and more.

BAMBOO SEED SAVER SMALL GLASS VIALS, SET OF 12

Unlike paper packets, these vials last decades and are easier to organize. Small size is great for storing seeds for greens, herbs, and many flower varieties.
